Mid-Year Rates Customer Forum

Thursday, June 7, 2007

9:00 - 11:00 AM

DTS invites its customers to participate in an interactive discussion on the new rate structure for the upcoming 2007-2008 fiscal year. Presentations will be provided by DTS Financial Management and Engineering representatives to explain rate changes and associated impacts for the following services: Network, Dedicated Web Hosting and Websphere Application Support. Up to an hour will be allotted for questions and answers from customers.

The presentation will address the following questions:

- What DTS rates are changing?
- When are rates changing?
- Why are the rates changing?
- How do the new rates affect my department budget?
- What's my new bill going to look like?
- How do I request new service and estimate the cost?
